IV. DESCRIPTION OF WORK

V. PLAN REVIEW REQUIRED

Plans must be submitted with your application and the required fee paid before a permit can be issued, except as listed below.

Plans are not required for the following:

1. One-and-two family dwellings when the total building heating/cooling system input rating is 375,000 Btu's or less.
2. Alterations and repair work determined by the mechanical official to be of a minor nature.
3. Business, mercantile, and storage buildings having HVAC equipment only, with one fire area and not more than 3,500 square feet.
4. Work completed by a governmental subdivision or state agency costing less than \$15,000

If work being performed is described above, check box below "Plans Not Required"

What is the building size in square footage? _____

What is the input rating of the heating system in this building? _____

Plans are required for all other building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to 1980 PA 299 and shall bear that architect's or engineer's seal and signature.

Charter Twp. of Flushing Plan Review Approved _____ Plans Not Required:

VI. NOTICE TO APPLICANT

Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523a, prohibits a person from conspiring to circumvent the licensing requirements of this state to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.

VII. HOMEOWNER AFFIDAVIT

I hereby certify the mechanical work described on this permit application shall be installed **by myself, in my own home** in which I am living or about to occupy. All work shall be installed in accordance with the Michigan Mechanical Code and **shall not be enclosed, covered up, or put in operation** until it has been **inspected and approved** by the Flushing Township Mechanical Inspector. I will cooperate with the Flushing Township Mechanical Inspector and assume the responsibility to arrange for necessary inspections.

SIGNATURE OF CONTRACTOR OR HOMEOWNER (Homeowner signature indicates compliance with Section VI. Homeowner Affidavit)	DATE

20. Over 10,000 CFM	\$60.00			TOTAL FEE			

IX. FURTHER INSTRUCTIONS FOR COMPLETING APPLICATION

General: Mechanical work shall not be started until the application for permit has been filed with Flushing Township. All installations shall be in conformance with the Michigan Mechanical Code. **No work shall be concealed until it has been inspected.** The telephone number for the inspection is provided on the permit form. When ready for an inspection, call the inspection line, providing as much advance notice as possible. Please leave the permit number and address when calling the inspection line.

Expiration of Permit: A permit remains valid as long as work is progressing and inspections are requested and conducted. A permit shall become invalid if the authorized work is not commenced within six months after issuance of the permit or if the authorized work is suspended or abandoned for a period of six months after the time of commencing the work. **A permit will be closed when no inspections are requested and conducted within six months of the date of issuance or the date of a previous inspection. Closed permits cannot be refunded. A fee may be charged to re-open a closed permit.**
